Cedex, France

26 November 2023

Dear Stephan,

I would like to apply to be a candidate in the election for the ESC nominating committee 2024.

I enclose my CV, Disclosure of Interest, Code of Conduct, letter of support, and elections statement forms, all duly signed.

I have been an active member of the European Society of Cardiology throughout my career and more recently as a Fellow of the European Society of Cardiology (ESC). I currently sit as a member on the ESC Advocacy and Cardio-policy groups.

I have also been a longstanding member of EACVI and EAPCI, whilst actively supporting their education mission/events and training fellowship programmes.

As a National Cardiac Society president – British Cardiovascular Society (BCS) (2021-2024), I continue to actively support the ESC National Leaders meetings and strongly advocate for our national support for the ESC Atlas of Cardiology and the EuroHeart project.

I am committed to the mission of the ESC in improving the clinical care of patients with cardiovascular problems throughout Europe and more globally, so I would see being part of the next ESC nominating committee an opportunity to further the ESC mission in collaboration with like-minded ESC colleagues.

I trust that you will accept my application.

Yours sincerely,

Professor John Greenwood,
President, British Cardiovascular Society
