Letter of Motivation

This is to apply for the position of Member of the Audit Committee of the European Society of Cardiology (ESC).

I am member of the ESC since 1989 and became fellow (FESC) in 1991.

I am familiar with the rules and regulations of the ESC due to various positions within the society, like Councillor 2004 – 2006, Secretary/ Treasurer 2006- 2008, congress program committee member 2020 – 2022. In addition, I took part in several guidelines committees and chaired resp. co-chaired the “Guidelines on NSTEMI ACS” in 2007 and 2011. In 2009 I received the ESC Grüntzig Award.

I was President of the German Cardiac Society from 2013 to 2015.

Due to my long standing position as CEO of the Kerckhoff Heart Center I am quite familiar with business and finance affairs.

It would be a great privilege to serve the esteemed ESC in the Audit Committee. Due to my Professor emeritus status I will have ample time to dedicate myself to this position.
